Bobbette & Belle's Custom Luxury Wedding Cakes are unique one of a kind creations.

PRICES RANGE FROM \$2000 TO OVER \$6000.

Each cake is custom designed and crafted to your exacting specifications by Allyson Bobbitt & Sarah Bell.

For those looking for an entirely one-of-a-kind cake, Bobbette & Belle offers a personalized design experience culminating in a work of confectionary art unlike any other. Let us create a cake that reflects everything you wish your unique wedding to be.

STEP 1: At your complimentary tasting & consultation appointment you will meet personally with Allyson Bobbitt and Sarah Bell to discuss your wishes.

Please share with us the design inspiration of your wedding. Feel free to bring photos, illustrations and samples of colours or small items that capture your ideal mood, style and concept. We will show you a selection of our past custom cake designs as inspiration and to give you a sense of the possibilities within given price ranges.

STEP 2: If you choose to proceed with a custom design, a nonrefundable deposit of \$500 will be required to begin the design process. Allyson will proceed to develop creative concepts and sketches.

STEP 3: Allyson will meet with you to present up to three cake sketches that reflect your concept and are within your budget. We will listen carefully to your feedback and answer any questions to help you make your selection.

STEP 4: We will finalize your chosen design as per your feedback. The Bobbette & Belle team will meticulously craft your cake to the most exacting specifications for your special day.
